- (2) go to [skywestholidays.com.au](http://skywestholidays.com.au) and select your specific accommodation requirements and enter your required travel dates.

All current applicable costs will be based on an Instant Purchase (ie costs might change at any time up until a booking is confirmed).

Costs become firm when your booking is made. You will be re-notified of those firm costs in a written Reservation Confirmation.

Should the booking be cancelled for any reason (eg due to lack of deposit or no full payment processed) the original costs are no longer firm and might change when re-booked.

Dynamic Costs and Instant Purchase bookings are now a common part of the travel industry and help you to get a great deal.

Availability at listed approximate prices is limited to a certain number of rooms/cars/people. However, once sold-out at the listed approximate prices, further availability might be able to be confirmed at another dynamic cost.

There may also be spot specials available at lower prices.

Ask SKYWEST HOLIDAYS for the current applicable costs.

Package costs are shown as approximate starting costs based on low season travel. Travel in shoulder and high seasons will attract a surcharge.

Extra fees might be applicable for vehicle hire and self drive packages. Please refer to the Vehicle Hire inclusions within this brochure and the Vehicle Hire Inclusions sheet included with your Individual Costing and Reservation Confirmation.

Child rates are usually available for children sharing the same room with two adults. Often the first child is free with a minimal 'rollaway bed' cost for the second child. SKYWEST HOLIDAYS will be happy to confirm this for you.

Should accommodation described in a specific holiday be unavailable, a similar alternative will be used. Your Travel Agent will be informed of the alteration.
